

The Power Of Becoming A Vav

Ps 119:46 I will speak of thy testimonies also before kings, and will not be ashamed.

Ps 8:4-6 What is man, that thou art mindful of him? and the son of man, that thou visitest him? 5 For thou hast made him a little lower than the angels (Elohim), and hast crowned him with glory and honor. 6 Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet:

Understanding the life of a Vav and implementing it's calling and power, we can change the spiritual atmosphere of the places we go and even in the place we live. The power of a Vav life includes all of the previous letters and is the place where God's power is translated from the spiritual realm to the earth realm. Lets take a look at the power of the Vav.

The Vav is the 6th letter of the Hebrew Aleph-Bet and is translated as "Hook" or "Connection". It represents "Man" because he was created on the 6th day. Therefore, just as Jesus walked as the connection between heaven and earth, you as a Vav have this same connection. Jesus walked as the connection between the spiritual realm and the natural realm. He brought the power of the heavenly realm to the earthly realm. As one who is suspended between heaven and earth, the Vav life can bring the "all spiritual blessings in heavenly places" (Eph 1:3) to the earth realm. When you realize that you too are the connection between heaven and earth, you will start to pull on the power that dwells in the spiritual realm and bring it to the natural realm. Man is the only creation that has the ability to worship God and pray to God. That's because at creation of man, Man was the only creation that God actually breathed into him the breath of life. Man is the only creature in which God place Himself. Man became the walking, taking breath of God in the natural realm. God placed the same glory that He possessed on man so that he could become God's connection into the natural earthly realm. A Vav life is one that the power and blessings of God flow thought. You are the spout where the glory comes out!

Man is the only creature that has the ability to operate in the physical realm and the spiritual realm at the same time. As the connection between heaven and earth, man has the ability to be the "pipeline" from the heavenly realm to the earthly realm. John 3:34 says that *"For he whom God has sent speaks the words of God: for God gives not the Spirit by measure"*. When you speak the Word of God, you act as a "Pipeline" to bring the words of the God of all creation into the physical realm. *"So shall My Word that goes out of My mouth: it will not return void, but it shall accomplish that what I please and it shall prosper in the*

thing where I sent it". (Isa 55:11) This is why God does not hold back any of His power to you as you speak the Word of God. (Jn 3:34) All we have to do is open the "valve" of the pipeline that is connected to heaven. **That valve is YOUR WILL!**

As the connection between heaven and earth, you are the connection between those things in the spiritual realm and those things in the natural realm. As this "pipeline", you start out as connected to the kingdom of darkness and as you become "born again" your valve changes to allow more of the Kingdom of God to operate in your life. **Whichever kingdom you "TURN" your valve towards, the more of the power from that kingdom flows out to the earth realm. The more you turn (this is what repent means, to turn around) your will (your pipeline valve) towards the Kingdom of God, the more of the power of heaven flows in to your life to bring about the effects of the Blessing of the Lord!** The opposite is true, the more you turn you valve towards the kingdom of darkness, the more of the power from that kingdom flows in to your life. This is what causes the power of "The Curse" to effects your life.

This is why most Christians seem to have the effects of the Curse still active in their life. They have part of their valve open towards the kingdom of darkness. The way the Vav is formed gives us a look at how we are to live so that the effects of the kingdom of darkness are nowhere to be found in our life. Let's look at the way the Vav is formed.

Notice that the head is pointed up, as if to be looking into heaven. The Vav's leg is connected or planted like a peg to the earth. As a Vav, we need to have our eyes set in heaven so we can function on the earth. The Apostle Paul uses his Vav lifestyle to bring the Word and Power of God to all to whom he made contact. He explains this idea to the Colossians, when he said in Colossians 3:1-3:

If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. ²Set your affection on things above, not on things on the earth. ³For ye are dead, and your life is hid with Christ in God. ⁴When Christ, who is our life, shall appear, then shall ye also appear with him in glory.

As we see, the Vav life is one of an "inner focus" that is hidden from the world. The Vav life is one where you can connect to the Father by your focus on Him. I call it being "God Inside Minded". As a Vav, the connection between the spiritual and natural realms, **what ever you focus on, you will draw the power contained in the person, place or thing that you are focusing on. This power wants to use you to transfer its power through you to the earth realm!** When we focus on love, we draw the power from love that is the all-empowering force of God Himself. The power of love is one of the spiritual principles that govern the Kingdom of God. If we focus on the negative aspects of this world, we draw the power from the way Satan has set up his kingdom. This is the "voice of the curse" operating in the world designed to bring about death and destruction. So, guard your focus!

In Hebrew the word for love is “Avaha”. You will notice that the Vav is surrounded by Aleph on both sides. Remember Aleph? Aleph is signified by a man on his face with his hand up to God. Aleph also represents our Heavenly Father, the leader and guider of life. This indicates that submission to the Father is the only way that the love of God can flow to others and bring into being the effects of The Blessing of the Lord to the earth! Without submission, love cannot flow into your life. Without love, the Blessing cannot flow in your life. Love is one of the spiritual principles in which all of heaven operates. This is why God Himself (Aleph) surrounds the Vav with His Love, so it can flow to the earth realm! Remember, you are the connection between the heavenly realm and the earthly realm to bring the things in heaven to the earth. This is how “*Your will be done on earth as it is in heaven*” can occur in your life and in the life of those around you. Now that you have an understanding of the Vav life, let go to our next Spiritual Principle that Jesus used, the Zayin. Because only a Vav can bring the Zayin to the earth!
